Subject: FW: Question on processing on notices to EPA R10

Hey Natasha, do you have access to the subpart OOOO notices that come in? I'd like to identify which AK facilities have submitted notices to R10. I'm working on inspection planning and want to see who's active in the program.

Thanks,

Subject: Question on processing on notices to EPA R10

Hi. I'd like to verify how R10 handles the notices from sources subject to NSPS subpart OOOO and OOOOa. I'd like to review notices submitted in the last 12 months.

Please give me a call.

Sincerely,
